KAASAN MOM'S LIFE (毎日常あさん)

“Kramer vs Kramer meets Terms of Endearment”

For a heart-wrenching movie, KAASAN Mom's Life has many light hearted and funny moments. Based on the synopsis, I had prepared myself for a tear jerker and some major depression but was nicely surprised by the positive messages and lessons this true story offer. Entertaining, educational and definitely engaging.

“Heart-warming” I enjoy watching this lively, warm-hearted movie featuring the daily life of a career-committed mother with her lovable children. This is definitely a family movie suitable for all audience.

KAASAN MOM'S LIFE depicts the family life of Rieko Saibara – including her failing marriage with the alcoholic and dying husband. Yet the film is set to a rather comical tone, echoing Saibara's comic strip running on newspaper. The positive and cheerful children in this dysfunctional family are naïve and genuine that they give great meanings to their falling apart family.
