Ramen Samurai (ラーメン侍)

Esther

Hikaru tries hard to resume his late father's recipe after taking over his noodle bar. During the course of his repeated failure, he recalls his childhood memories and understands how hard his poor parents to start their business from a streetstall. Although he has had many setbacks, he is fuelled by his father's never give up attitude to make the good ramen. The positive message in this movie makes it worth seeing. 🍜

Eric

A story of Hikaru who struggle to mange his Dad's Ramen business. After Hikaru close the shop after a mistake when preparing the broth by his staff, he start realize and think about the importance of bring back the old days of Kurume. Street stalls everywhere where peoples can afford to eat, drink and enjoy. 🍜
